

TEEN'S GUIDE TO MUSIC ON THE WEB

By Emily-may Boucher

Introduction

- My name is Emily-May, I like listening to music a lot, and I would have to say that my musical interest have developed greatly. I went from listening to cartoon remixes to listening to Korean music.
-

My Favourite Music Groups

- One of my favourite music groups would have to be ASTRO their music is something you could dance to very easily.

Summary

It was cool to find and hear different music.

There was a lot of finding and testing links, I like that part.
